To,

1. Registrar of All the Universities Imparting Legal Education.
2. Principles of all the Law Colleges.
3. Secretaries of all the State Bar Councils.

Sir(s)/Ma’am(s),

It is noticed that some of the Universities/Colleges are sending their students for internship during academic session. The students can only take internship during the vacation (academic session is not on). The Universities/Colleges are directed that henceforth they should send their students for internship to the Law Firms, Senior Advocates only when there is a vacation of Universities/Colleges.

Thanking you,

Yours sincerely,
