SAKSHAM 3.0

About Us :

Project Saksham 3.0 stands as a testament to the enduring commitment of the esteemed alumni from the Faculty of Law, University of Delhi. Building upon the solid foundations laid by Saksham 1.0 and Saksham 2.0, this initiative embodies a profound dedication to societal advancement and empowerment. Through a holistic approach encompassing legal guidance, educational resources, medical help, and beyond, we strive to uplift and enrich our community, fostering a brighter, fairer future for all.

In the ethereal realm of **Nek Mission Foundation**, our radiant wingspan reaches far and wide, weaving a tapestry of empowerment for the most marginalised among us: women, children, senior citizens, labourers, those ensnared in the clutches of addiction, the vibrant LGBTQ+ community, and the courageous souls of sex workers. Within our enchanted embrace, the stars align to offer free legal counsel, a beacon of hope illuminating the path to justice for all who seek it.

We aim to create a more just, compassionate, and fair society, where every individual can thrive and contribute positively to our shared future.

OUR VISION :

Through our unwavering commitment to justice, we seek to empower every individual, regardless of their material wealth, to access the full spectrum of legal protections and opportunities, fostering a fair and inclusive society.
