**1. INTRODUCTION**

**2. STUDENT INDUCTION - OBJECTIVE**

**3. TEAMS (FOR INDUCTION)**

**4. ACTIVITIES**

**5. SUMMARY**

# INTRODUCTION

**The Animal Law Cell of the Faculty is constituted:**

- to explore the least explored field of Animal Laws, encouraging people to develop a sense of Moral, Social and Ethical Awareness, developing sensitisation to animals and their suffering.**
- to educate people with support, contribution and participation of students and faculty members, by conducting workshops and seminars on Animal Welfare, with utmost attention on laws and rules for animals.**
- to conduct legal awareness drives on and off campus, organise visits to Ministries, statutory bodies..**
- to create awareness through events like Street Plays, Open Mic, Poster Making, Debates, Essay writing etc. which will provide an opportunity to students to delve deeper into this field.**
- to work towards building a strong Legal Research team (the cornerstone of this Cell) to study the Acts and Rules related to animals and publish research papers.**

# **STUDENT INDUCTION OBJECTIVE**

**The objective of the Student Induction in the Cell is:**

- **to build a dedicated team which will work towards this noble cause.**
- **to inculcate in them the ethos and culture of the Animal Law Cell.**
- **expose them to a sense of larger purpose and exploration of this field.**
- **help them build bonds with other students and faculty members.**
