

Dear Sir/Madam,

Warm greetings from CCI India!

 About CCI India – Where Business Meets Global Impact

At CCI India, we are redefining what it means to be a Chamber of Commerce. Our mission is to shape a growth-driven, innovation-focused business environment that connects India with the world.

We are the first and most proactive organisation for enterprises looking to enter the Indian market, scale operations, or explore international business opportunities. By blending people, policy, and purpose, we help build the future of cross-border commerce.

Our initiatives span across industries and continents — empowering companies, influencing policy, and unlocking new economic possibilities.

The internships will be available not only within CCI India but across our esteemed member organisations, providing participants with diverse industry exposure and practical learning experiences.
