Dear Sir/Madam,

We are glad to inform you that the V V. Giri National Labour Institute has scheduled a Course on Qualitative Methods in Labour Research during July 01-05, 2024 at VVGNLI, Campus, Noida

As a part of our mandate to encourage research on labour, the Institute organises Courses on Research Methods for young researchers. One such Course on Qualitative Methods in Labour Research is being organized by the Institute from July 01-05, 2024. The Course is designed to help young research scholars as well as young teachers in Universities and Research Institutions to pursue their interest in Labour Research and Policy. The Course intends to explain the researchers how to conceptualize and apply qualitative methods to a research question and provides an opportunity to go through a rigorous and interactive exercise on understanding various qualitative methods and tools, with special focus on labour research.

A brief write-up about the Course and the application form to be filled by the aspiring candidates is enclosed. Please circulate this among the prospective candidates in your Department/Institution. The candidates selected to attend the Course would be intimated about their selection individually.
